

Field Wiring Terminal Board

A25D

- ※ Universal 25-pin female terminal board
- ※ Applies to all 25-pin interface acquisition card
- ※ A 25-pin male cable attached

A37D

- ※ Universal 37-pin female terminal board
- ※ Applies to all 37-pin interface acquisition card
- ※ A 37-pin male cable attached

A50D

- ※ Universal female terminal board
- ※ Applies to all SCSI or Mini SCSI interface acquisition card

A62D

- ※ Universal 62-pin female terminal board
- ※ Applies to all 62-pin interface acquisition card
- ※ A 62-pin male cable attached

A68D

- ※ Universal female terminal board
- ※ Applies to all SCSI or Mini SCSI interface acquisition card

A78D

- ※ Universal 78-pin female terminal board
- ※ Applies to all 78-pin interface acquisition card
- ※ A 78-pin male cable attached

A20P-I I

- ※ Universal cable terminal board
- ※ Applies to double 20-pin cable 16-channel input/output connection, guides can be installed

34/A40/50P-I I

- ※ Universal cable terminal board
- ※ Applies to 34-pin, 40-pin or 50-pin cable connection, guides can be installed

37D-I I

- ※ Universal female terminal board
- ※ Applies to all 37-pin interface acquisition card, guides can be installed

A62D-I I

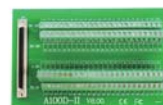

- ※ Universal female terminal board
- ※ Applies to all 62-pin interface acquisition card, guides can be installed

A68D-I I

- ※ Universal female terminal board
- ※ Applies to all SCSI or Mini SCSI interface acquisition card, guides can be installed

A100D-I I

- ※ Universal female terminal board
- ※ Applies to all SCSI or Mini SCSI interface acquisition card

A34P-I

- ※ Universal cable terminal board
- ※ Applies to 34-pin cable connection

A40P-I

- ※ Universal cable terminal board
- ※ Applies to 40-pin cable connection

A50P-I

- ※ Universal cable terminal board
- ※ Applies to 50-pin cable connection
